Human beings possess the amiable trait of being unable to remember unpleasantness and pain; you can remember the final exam, but not the anxious moments before (and sometimes after) the examination.

Because of this happy characteristic of human memory, I am sure that this edition of "U 'n I" will help us to recall, with pleasure, the good friends with whom we spent these years at Uni High.

I hope that you will look back upon these years as "the good old days," but also that the successes and pleasures in your future will bring you "better days."

It is a pleasure to commend the Yearbook Staff which has prepared this record of the best class which has ever entered Uni High. (I am sure YOU know which class I mean.)

Happy memories!

DEDICATION

We of the class of 1957 wish to express gratitude and appreciation to our friend and teacher Warren Schuetz who has given so much time and energy to share with us his love of music.
We, the U and I Staff of 1957, introduce to you Mecki who will guide you as you glance through these pages of history at Uni High. Mecki, who is a hedgehog, comes from Germany where he is a good luck symbol. We would like to express our sincere appreciation to the August Gunkel Company of Dusseldorf (much like our own Walt Disney) for the use of its character.

DORIS KAMP

Miss Kamp, to everyone’s regret, left for Florida at the end of the first semester. After four and one-half years when the solution to every problem was to “go ask Miss Kamp,” we feel quite lost without her.

UNDERCLASSMEN
The Junior Class, sponsored by Mr. Hale, has been very active this year. In addition to the Christmas Dance and the very nice Prom which they gave for the Seniors in May, the Juniors sponsored a Hop after the game with Unity and presented a class assembly for the student body in March.

BACK ROW: Stu Cohn, Vice-President; Anna Mary Hays, Treasurer; George Will, Boys' Representative; Martha Vestling, Secretary; Marcia Kaplan, President; and Marti Cleary, Girls' Representative.

JUNIORS

John Boehm Jim Buckley Peter Carlston Mary Lou Caughrone

Bill Bardeen Jim Chappel

Arlander Clayton Marti Cleary Stuart Cohn James Domoff Anna Mary Hays
Besides having many class parties, the Sophomores sponsored a hop on February 2 after the St. Joseph game. They also sponsored the Spring Fling and made it a very enjoyable dance.

The class is to be commended on its donation of $10 to the Hungarian Refugee fund. The money was originally to have been used for a class party on December 8.

The class also held tryouts and presented a class assembly in the spring. The Sophomores ended a very busy year with a picnic June 4.
The Freshmen participated in most of the school's extra-curricular activities. The Freshmen boys looked promising on the reserve basketball team and several of the girls are pledged to Terrapin.

The Freshmen had many class parties including a Sadie Hawkins Day Party in November.

Second semester the Freshmen took a field trip to Chicago. They also sponsored an All-School Party.

The subs found the work heavier than they had expected and often thought that the teachers expected entirely too much of them. They were very interested in grades, but they did manage to get themselves into all sorts of extra-curricular activities and enjoyed themselves immensely.

At their parties the subs usually planned things to do other than just dancing; games, (checkers, chess etc.) refreshments and so on.

No sub was in the subfreshman class merely for the sake of getting out of school a year earlier or getting his Ph.d. before he is thirty, but they were pleasantly surprised to find that the subfreshman program was even nicer than they had hoped it would be.

STUDENT COUNCIL

The major objectives of STUDENT COUNCIL have been to promote understanding and cooperation between students and faculty, to acquaint the student body with the work of the Council, and to encourage the faculty and students to work with the Council for the improvement of our school.

The Council got student-faculty relations off to a good start with a tea for the faculty in the Library on the first day of school. In October everybody worked hard to present a very successful carnival. The Council was a member of and sent delegates to the conventions of the District Association of Student Councils and the Illinois Association of Student Councils.

This year's Student Council worked more closely with the Tri-High Council with the idea of really improving the relationship between the three schools. In November a student from each of the three schools took part in a television show "Let's Look at Learning." The Council also instituted monthly school-wide Council meetings fashioned after the New England Town Meetings, which were presented as assemblies. A Student Council Committee planned and then did the work to redecorate the student lounge. It was decided that the color scheme would be rose and grey. At the same time the students decided that there would be no eating in the redecorated lounge.

The Council also undertook several community projects including working for the March of Dimes through the Tri-High Stunt Show and The Block of Dimes (in two Saturdays the students collected $190); a record drive for the County Youth Home; and work which they did with the Red Cross at the County Nursing Home.

This year's officers were: President, Grant Fairbanks; Vice-President, Roberta Anderson; Secretary, Marti Cleary; Treasurer, Dave Hulett; and Sponsor, Miss Ella Leppert.

GARGOYLE

GARGOYLE, the school's news weekly, is written, edited, and produced by a student staff of twenty members. As in former years, a revolving staff of reporters is used in order that all members have an opportunity to share in writing. The paper is dittoed with the exception of quarterly printed issues.

A few changes have been made this year: the paper comes out on Thursday, instead of Wednesday as before. Assignments are made at the beginning of each week, and "workshop" meetings are held Wednesday noon and after school of the week's reporting, editing and producing staff.

The officers of the 1956-57 GARGOYLE staff were:

Editor in Chief ........................................ Marcia Kaplan
Assistant Editor ........................................ Richard Newmark
Business Manager ................................. Patty Hagan
Secretary ................................................. Virginia Garrett
Faculty Sponsor ...................................... Charles P. Martin

This year's Page Editors have been: Kenneth Laitinen, Emile De Antonio, Martha Vestling, Peggy Rose, Dave Norton.
UNIQUE

UNIQUE is the school's literary magazine. It is written and edited by the students and is put out when ever there is material enough to make it worthwhile. This year's issues contained many excellent stories, essays, and poetry by the students of the various English classes. Everyone has enjoyed the magazine very much and it is hoped that UNIQUE will continue to be a fruitful outlet for Uni's talented writers.

The officers of the 1956-1957 UNIQUE were:

Editor .................................................. Dave Norton
Assistant Editor ......................................... Emil DeAntonio
Production Manager ................................. Ken Laitinen
Secretary-Treasurer ................................. Richard Newmark
Sponsor .................................................. Mr. William Melvin

SCIENCE CLUB

The purpose of SCIENCE CLUB is to stimulate interest in science among Uni High students. Meetings for 1956-1957 were held on Tuesday noons with occasional lecture programs. The club instituted a new membership program this year—those members who had projects were active members, while those who did not were associate members.

The officers of the 1956-1957 SCIENCE CLUB were:

President ........................................ Richard Newmark
Secretary ........................................ Jack Seitz
Treasurer .......................................... Ken Laitinen
Sponsor ........................................ Mr. Paul Westmeyer

SECOND ROW: Lindsay Black, Charles Birkeland, Emil de Antonio, Richard Newmark, Kenneth Laitinen.
The GIRLS' ATHLETIC ASSOCIATION started the year off right by sponsoring a Big-Little Sister Picnic in Illini Grove with games and supper as the main feature. Several new members were initiated into the organization at a special party held later in the month in the South Attic. Intramurals started a little later with soccer, basketball, archery, volleyball, and softball as the main sports of the year. In March, G. A. A. sponsored the only vice-versa dance of the year, the Star-Dance, where the girls are responsible for entertaining the boys.

The officers of the 1956-1957 G. A. A. were:

President .......................... Mary Lou Caughron
Vice-President ........................ Annamary Hays
Secretary .......................... Caroline Lanham
Treasurer .......................... Martha Vestling
Intramural Manager ................. Joan King
Sophomore Representative .......... Clara Gail Derber
Freshman Representative .......... Jackie Yates
Subfreshman Representative ......... Sylvia Schoenburg

ORCHESIS

This year, under the instruction of Mrs. Vance, ORCHESIS held dance workshops on Saturdays in addition to the weekly practice sessions on Monday afternoons to which attendance was required. The annual Spring Concert consisted of a variety of dances that were choreographed by the students. In order to supplement the regular program ORCHESIS made use of guest teachers and lecturers whenever possible. A Member-at-Large was elected monthly to represent the general membership at the ORCHESIS board meetings.

The officers of the 1956-1957 ORCHESIS BOARD were:

President ........................................ Nadine Taub
Secretary ................................. Tommy Von Foerster
Treasurer .................................. Marian Baker
Wardrobe Chairman ...................... Judi Shattuck
Publicity Chairman ..................... Amaryllis Fletcher
This year's group was divided into the usual three sections—Terrapin, Pledge, and Junior Terrapin. The first semester was spent in preparing for the show “The Wizard of Oz” given on February 1. For the rest of the year instruction was given to the pledges and Junior Terrapin members to prepare them for advancement into the Terrapin and Pledge groups.

This year's officers were: Sally Stearns, President; Judi Shattuck, Vice-President; and Sue Colwell, Secretary. The sponsor was Miss Souder.

Cheerleaders

There were four varsity and two reserve cheerleaders to lead the crowd in cheering both of Uni's teams through the basketball season. They were elected the previous Spring by the whole student body. The Head Cheerleader was Sally Steams, Mrs. Vance was their sponsor.

The cheerleaders went to all the home and away games, and arranged the transportation for students to go to the out-of-town games. They raised money by making and selling pom-poms for the games.

Varsity Cheerleaders: Marcia Kaplan, Sally Steams, Mary Lou Caughron, Marty Cleary. Reserve Cheerleaders: Janet Fairbanks and Kay Karraker.
U-CLUB

U-Club sponsored its annual dance in October this year under the title of MOONGLOW. The boys and their dates decorated the gym the night before the dance. The red and silver colors combined with the music of Ralph Noona's Combo were very successful.

Membership this year dwindled to nine. The members elected John Williams as president, Steve Knapp as vice-president, and Ron Link as secretary-treasurer. Despite its size, the group was active throughout the year.
CROSS COUNTRY

This was only the third year of Cross Country at Uni High. For the second year in a row, the Harriers failed to win a meet. Their best effort took place at Mattoon when they dropped a 22 1/2-38 1/2 decision. However, it should be noted that Mattoon defeated Urbana within the course of its season. Inexperience and lack of depth were the main factors which contributed to the seven straight losses suffered by the Buckeyes.

The squad consisted of Grant Fairbanks, John Williams, John Buley, Dan Yohe, George Will, Jim Buckley, John Clayton, and occasionally Jonny Bon Foerster and Bill Bardeen. John Williams captained the team for the second consecutive year. He and John Buley were the only lettermen returning although Grant Fairbanks had previously won a letter in track running the mile. Grant immediately proved himself top man and, he eventually won first place in five of the seven meets in which the Bucks competed. At the end of the season Grant was elected the most valuable member of the team and George Will was elected captain of the 1957 team.

SUMMARY: Won 7  Lost 9
THE VARSITY SEASON

This year's team compiled the best record in the school's history since 1946. However, the first six men on the team were seniors and the team next year will be very inexperienced. The Buckeyes were an excellent offensive team this year as they averaged over 60 points per game throughout the season. Their offensive high came against St. Joseph's in the battle for the Consolation Trophy when the Bucks poured through 81 points. The drawback came on defense as the team allowed over 60 points in each game in this category also. Rebounding, ball-handling, and spirit were all good although the latter seemed to disappear toward the end of the season, especially in the Fisher and Mahomet games which the Bucks could and should have won. The following people made up the team:

Coach Harold P. Wells--This was the second season of coaching basketball at Uni High for our likeable coach. Although the Buckeyes were refused admittance to a conference after the Illini Valley folded last year, Coach Wells did his best throughout the year to get the school recognized despite the size of our gym, the refusal of the parents and faculty to allow the team to play on Tuesdays, and the fact that Uni High is on the fringe of the conference area.

Captain Steve Knapp--As center, Captain Knapp was the highest pointmaker for the Bucks for the second consecutive year. Steve's rebounding and offensive punch pulled the team through many close games. His scoring peak came against Bellflower when he scored 27 points. The News-Gazette recognized his ability when he was selected on the paper's All-Area team at the close of the season.

John Buley, Guard--Although John did not letter as a junior, he came through for the team this year with the second highest point average on the team. His out-shooting always brought new life to the team when the chips were down. His best game was at Bement where he scored 26 points.

Steve Poulos, Guard--Like John, "Goose" did not letter in his junior year. This season saw him go down as the team's best free throw shooter. He didn't score much, chiefly because he didn't shoot much, but he did come through with 19 points against Mahomet in the season's finale when nobody else could even come near the basket.

Dave Hulet, Forward--Dave combined with Steve Knapp to pick off the majority of the Buck's rebounds. He came through with an average of about 11 points a game and his best game came against St. Joseph at Uni High when he scored 21 points. Dave was given honorable mention on the News-Gazette's All-Area team.

John Williams, Forward--John's trademark was not his offensive ability. It was his "fight" that kept the team moving sometimes when the going got rough. Probably his best game took place at Rantoul when he scored 12 points, all in the second half, to spark the squad to a 65-45 team victory over Mahomet.

Grant Fairbanks and Jim Buckley--These two didn't even get a chance to play much basketball although both broke into the starting once. Each was capable of getting red-hot as they so often demonstrated in practice, but they seemed to lose their touch in the games.

TROPHY WINNERS

Last year's winners of trophies for the greatest number of intramural points scored in each class were John Buley, Junior; Joe Miles and Bruce Shurts, Freshmen; and Dave Williams, Subfreshman.

INTRAMURAL MANAGERS

This year's intramural managers were, Left to Right: Dave Rawcliffe, Junior; Bill Martin, Freshman; Mike Goldwasser, Subfreshman; and Dave Norton, Senior.

INTRAMURALS

The Intramural Program, which was planned to present activities suitable for all boys in the school, included touch football, bicycle racing, horseshoes, cross country, croquet, swimming, volleyball, ping pong, basketball, shuffleboard, badminton, track, softball, tennis, and archery.

This year, for the first time, Mr. Reuter, the Intramural Manager, was aided by five Intramural Managers, one from each class. These were Dave Norton, Senior; Dave Rawcliffe, Junior; Bob Smith, Sophomore; Bill Martin, Freshman; and Mike Goldwasser, Subfreshman.

The duties of these managers were to plan the various tournaments and to encourage intramural participation in their classes.
UNI HIGH’S MUSIC DEPARTMENT welcomed Warren Schuetz Back after a year-long leave of absence. Under his direction all of the music groups had a very active year.

MADRIGALS, Uni’s most select group, gave many special programs including a television show “Let’s Look at Learning,” as well as working with the other vocal groups, MIXED CHORUS, GIRLS’ ENSEMBLE, and BOYS’ ENSEMBLE, on the Christmas Concert. All of the vocal groups presented an exchange concert at Aurora High School in the spring. Along with the ORCHESTRA they presented an assembly for the students right before Christmas, and took part in the part in the County Music Festival in the Spring. Six members of the chorus and orchestra were chosen to attend the All-State Music Activities.

Well, 'tis the end of vacation. Nine months of that glorious chaos known as school are now before us. The student council gave the faculty a tea today. Perhaps to butter them up for something?

The supplements for last year's yearbook were finally handed out today, and I'm already writing this year's. Ah, well, such is Uni.

Now we know why the tea was given. Vacation today. I wonder why all those alums were walking around labelled "Freshman" at the Howdy Hop given by the seniors tonight.

Hal! I knew I'd see this sometime. Miss Leppert and Grant Fairbanks running around the gym with butterfly nets on a tiger hunt! It was all in fun though, since it was the orientation assembly.

Two or three of the University Young Democrats, bolstered by about ten Uni High students, got to walk around the streets of downtown Champaign today with a police escort, beating on garbage can tops et al. It seems that a Democratic rally was taking place.

The GAA picnic, for once unblemished by rain, took place today.

The carnival assembly, with Phil Kellogg playing Sheriff Sid, occurred. Afterwards all the students were "allowed" to sign up for concessions. An Orchesis workshop, the first without R. D. Van Ghyll, is to be held today and tomorrow.

The School seemed amazingly quiet today. The juniors were all holed up in the library taking the Junior Statewide Tests.

The Terrapin Splash Party with everyone--except boys--invited, took place today.

For once we have a vacation that other schools in the area don't get. President Henry is being installed, with all the proper ceremony.

It seems that after tryouts Terrapin has doubled in size. Congrats to all new members.
1-5 Once again that remarkable chaos known as Carnival Week is upon us. People are running madly about the halls acting busy and getting nothing done. Ah well, it’ll be finished on the sixth.

3 Cross country meet with Bismarck.

5 Same with Tremont.

6 The Carnival! Huzzah! Huzzah! Money... Phil Kellogg as Elvis... Emil de Antonio as a drunk.

8 Cross country meet with Mattoon.

9 Play tryouts. Oh well, I didn’t want to be in it anyway.

10 The Biology field trip to Kickapoo was today. Lots of mildly insane people running around chasing butterflies, wading through and falling into swamps, sliding down ricky banks with Bermudas, etc.

11-12 No school today. Our beloved faculty finally collapsed and had a teacher’s institute.

16 The ensembles sang at McKinley Foundation today. The uncerclassmen had their pictures taken today also, midst the usual groans that today was the worst possible for this time-hallowed tradition.

17 Cross country meet with Mattoon.

18 Same with Tremont.

19-20 The ISHPA conference. How am I supposed to attend meetings for Unique, Gargoyle, and the Yearbook at the same time?

22 Cross country meet with Bismarck.

24 Mayhem be committed against all instigators of two-hour exams. The preliminary examination for National Merit was today. There was a cross country meet with Unity, too.

27 U-Club Dance, without the traditional fire alarm, was today. The District Cross Country Meet was also held.
NOVEMBER

3 The meeting of the District Association of Student Councils was today, with a liberal delegation from Uni going.

5 There was an assembly about the process of voting today, in preparation for the mock election tomorrow.

6 Election day! After the ballots were counted (that makes it seem so simple) it developed that Stevenson had won the mock election and that our beloved assistant principal, Mr. Ray, had won the exalted office of county coroner.

7 Well, any illusions about Uni High feeling the pulse of the nation in its mock election have been thoroughly shattered.

10 The Tri-High Dance was today, but nothing of any particular interest happened, as per usual.

15 Birdee Anderson was on TV today, "Let's Look at Learning."

17 The Advanced Problems Class had a field trip to the University of Chicago today. These advanced problems played bridge in an atmosphere of ninety per cent nicotine for 270 miles on the way there and back.

21-25 The Thanksgiving Vacation is here at last. Give thanks!

21 The first basketball fame of the year was today. We won!! Already we've equaled last year's record. There were some pretty clashy costumes at the Clash Hop afterwards, with some genuine celebration.

27 Science Club had a field trip to the Betatron today. Any spare X-rays?

30 We seem to be in the midst of a winning streak. We won our second basketball game at Homer today.
DECEMBER

1 Uni High won at Bement. A 3-0 record as things stand now!

4 Madrigals got to give a performance at President Henry's home.

7 We lost at Potomac.

8 The YCCI meeting. Unfortunately the weather was rather bad and Uni High's delegation consisted mostly of Ron Link and Birdee Anderson, the President and Secretary respectively of it.

12 The first school-wide Student Council meeting was today. And the Madrigals sang on TV of all places.

13-14 Two plays, "The Old Lady Shows Her Medals" and "The Happy Journey" were given in the North Attic tonight. Emil deA. and Marcia Tuckey starred in the former and Susan Schnabel in the latter. I was the Stage Manager in the second and also got to pull the curtains. (Hooray?)

14 The music assembly was today.

15 A losing streak has started now. We lost at Newman. The rehearsal for the Christmas Concert was also today, with the usual troubles with flashlights and all.

16 Christmas Concert. It went off quite well.

20 Vacation starts. At last. There have been some interesting rumors about the Faculty Party held today for the students.

21 Some interesting things (unfortunately unprintable) were said by George Will as he tried to put up mistletoe for the Christmas Dance. Said dance was quite good, though, with the annual open house afterwards at the Cleary's.

22 Rehash. Dave Broadbent trying to make love to both Polly Viens and Sally Stearns as they sang the part they had split the year before together.

25 Christmas.
JANUARY

3 Well, once more our residency at school has started. Christmas Vacation is over.

4 Basketball game at Ogden. A game we lost. The record is now looking Uni Highish again (3-4).

11 At last there is a home game! We won against Bellflower.

12 The reason for all those empty stares at the Senior Hop after the Bement game was the taking of College Boards this morning. We won again, though.

16-18 Once again our fair school is going through that insane chaos known as semester exams. Oh, well, I don't really need English.

18 Basketball against A. B. L. We lost.

19 Again this year, we see blue-faced people from Uni High soliciting funds for the Block of Dimes. Senior All-School Party.

21-22 Vacation. Ahh!

22 Our Glorious P. A. D. Class, with Miss Leppert at the helm visited the Champaign City Council meeting today.

23 Only one semester, barring accidents, bad grades, and illness. For the first time in a number of years we won a game in the County Tournament. 'Twas against Mahomet.

24 Lost to Rantoul—the less said the better.

25 Well, we knocked off St. Joe for third. A TROPHY!

28 Progress Reports. Repeat comment for the 24th.

31 What are these stories I hear about gambling in penny ante on the Physics Field Trip. Well, maybe they learned something.

FEBRUARY

1 The Terrapin Show, replete with original poetry by Marcia Kaplan, was given today. Theme: The Wizard of Oz.

2 Twice we have beaten St. Joe now.

6 Well, this is one glorious way to waste a day—first, an assembly for the Barber Shoppers of the University and then a dress rehearsal for the Tri-High Stunt Show.

8 Once again we lose to A. B. L. at A. B. L.
9 The Tri-High Stunt Show.

12 Why don't we get out of school for Lincoln's Birthday?

14 Orchesis Field trip to Normal.

15 Three out of three against St. Joe. This is undreamed of.

16 And, to look at the other side of the picture there is the game against Unity tonight. However, the Junior Hop cheered things up a bit.

20 Junior-Senior P. T. A. meeting. Gad, have I done anything reprehensible recently?

22 Well, that evens up the score with Ogden. We beat them at home.

23 This seems to be a bit of a problem. How does one rehearse for the operetta while the subs try to decorate the attic for their party?

24-25 Interesting stories have been floating about concerning an impromptu party at Colwell's for the West Aurora Choir.

MARCH

1 Basketball game with Fisher. We lost.

2 This is the day that the calendar has to be sent to the printer, so the rest of the calendar will be guesswork.

9 The Star Dance was quite nice tonight.

16 The Sophomore Class Dance, much enhanced by the presence of some of the seniors, was tonight.

27 Why, oh why must they schedule the dress rehearsal for the operetta on the same night that Louis Armstrong is on at the University?

29-30 The Mikado, helped tremendously by the usual errors found in a Uni High operetta, was given.

APRIL

6 The Spring Fling was given tonight.

8 The Voice of Doom says sepulchrely, "Progress Reports."

9 After West Aurora comes Hobart, who gave quite a nice performance today.

13 YCCI was held here today.
16 Spring Vacation at last.

22 All good things must draw to a close.

28 The Orchestra and Orchesis joined forces today for a concert.

MAY

3 Once again the sophomores have a class party.

4 And the freshmen hold an all-school party.

10-11 Why, oh why must people try to be at three places on once when they are supposed to try to be on stage in the spring play?

13-17 Gad, those Advanced Placement Exams are murder.

18 But the Prom makes up for it. The music was good; everything was good.

21,22, or 23 Skip Day. Lots of Skinned Knees have suddenly become prevalent. There are also now a large number of people in the Senior Class who display surprising knowledge of the geography of Turkey Run.

24 Frank Miles defended the Seniors and tore down the Juniors quite capably tonight at Class Night.

26-27 We exchange an assembly at West Aurora. Gad, what a brawl.

30 We get a day of vacation on Memorial Day.

31 But unfortunately, we had to spend it studying for finals, which began today.

JUNE

2 Baccalaureate--ye gads, it's for US!

3-4 More finals, with the sophomores once again having a class party, this time a picnic in the afternoon.

7 We end our long illustrious career at Uni High to the glorious strains of "Pomp and Circumstance" this evening. My gosh, I don't believe it. We are no longer at Uni High.
