dedication
We the class of 1968 break tradition in the dedication of this yearbook.

Instead of the usual single dedication, we feel we must express our admiration for two outstanding men.

To Mr. Holmes, who not only taught us the science of mathematics but also acted as counselor and advisor to many students of our class when they were puzzled and confused.

To Coach Olson, who not only has instilled in our athletes a winning attitude, but has turned what was once an aspiration into a reality.

We dedicate this yearbook, with love and respect, to a tough coach and a concerned math teacher.

The class history

Crash. Boom. Pow. 47 eager subbies gently shook the green halls of Uni High and 'twill never be the same. Yes, our class had arrived, but it was split into the As and Bs. According to the tree lunch circle, we were the best class at Uni, maybe a bit prejudiced but undeniably true. Classes were chaotic. Remember English filming that made everybody movie stars, while options made everybody sleepy. Remember the eraser thrown at Hank. Unihico, the class's rather unsuccessful attempt at industrialization and Mr. Coombs' "family" and Mrs. Condon's twang. We even remember Uni B.B. games in the temporary gym, and taking trips to Zabranzburg negatively from Anabru.

Freshman year was the year of expansion. We adjusted and made room for 20 new people. We found out that there were other languages besides English. Some of us wished we had been allowed to remain ignorant. Mrs. Swanson tried to teach us English, but the boys quickly succumbed to the temptation of spit wads and rubber bands. We were, at the beginning, very naive. A few learned quickly, the rest of us listened to their adventures. Craig was our president, and under him we had the best CARE dance ever. The Senior boys were especially aware of the girls' presence.

Sophomore year. Our first drinking party; 20 people drunk on one fifth? We braved the censors and engineered Hellfire and Brimstone. Gretchen had lots of parties and nearly every one attended. Chuck started his political career as president of our class. Most of us had Chemistry or perhaps Chemistry had us. We had several English teachers; one gave everyone 5s and entertained us with hidden meanings in the classics, and another gathered the attention of the ladies in his class and vice versa. Sophomore year was also the beginning of a three year association with the man who tried to teach us math but taught us more about ourselves. In February, during CARE week, we started the tradition of winning the tape race. That year it was by 50 cents. We put on Amahl. The year ended up, appropriately enough, with a slumber party, and five of us landed in jail. Truly we were growing up.

Junior year was one of great upheaval, many people left and we had to fill in the gaps. We started to get drivers' licenses and as usual the girls led the way. One person couldn't wait to drive and there was an incident with a certain green VW. Our Christmas Dance was great. Terry and Dave were chairmen. Chuck again led us and each class meeting was a reminder of PSAT, SAT, NMSQT, and COLLEGE. We were SCARED. Uni sports hit the front page of the sports section when Terry and Mima became the first girl track managers in Uni history. We faked our way through U.S. History all the way willy nilly around Robin Hood's Barn. Our greatest effort of the year was "The Ugly Ullinek," our Junior Assembly. Dan directed and we amazed the school with our cleverness. "Once Upon a Time" ended the year. Prom was beautiful with a pregnant dragon and our own stolen trees.

And now we are Seniors; we are at the top. We were together through the greatest Cross-Country season Uni ever had. Did anyone ever see such enthusiasm? Mr. Holmes' party was the most unusual our class ever attended, and the most fun. Much to the surprise of all, Follies Bergere was an unqualified success. The boys grew beards and sideburns. Some of the girls discovered the Junior boys. For VIP week the girls were Buck Buck champions of the world and Phil, Chuck and Dave got their faces full of assorted goodies. We showed Senior Power by winning the tape race. To end it all we were having the best Senior Slump ever. Indeed, we came, saw and conquered.

University High School's varsity cross-country team—the first Uni High athletic team to make a state meet. **Front row**, are Mark Satterthwaite, Chuck Yon, captain Phil Matthews, Thane Peterson, Kurt Dammers, Paul Swanson. **Back row**, coach Ken Olson, Jon Goldhor, Rich Goldhor, Mark Hayes, Dave Shipley, John Dietz.

**cross country**

Hatted Jon Goldhor and captain Phil Matthews cross the finish line in a tie for first.

Due to the sure-fire combination of an excellent coach and a dedicated, hard-working team, Uni High's best cross-country squad ever piled up a superb record of all wins for dual and triangular meets, (including an unofficial meet against Urbana won 19-38), and an equally respectable invitational meet record, which included defeats of teams over 40 times its size, and at one point of winning two different invitationals at the same time.

basketball

The Illineks of 1967-68 began the season on an optimistic note, winning three of their first four games. But they followed this fast start with a long losing streak.

Many of the team's losses were heartbreaking defeats, including a one-point loss to Potomac and a 71-67 defeat at the hands of the powerful Armstrong Trojans. The team could never put together a complete game on both offense and defense during its losing streak, but it had flashes of brilliance at times.

The Illineks have shown both speed and rebounding strength, as well as outstanding shooting ability during some stretches of the season, and at mid-year were aiming for a .500 season and a good showing in the district.
The Junior Varsity Team was, seated, Russell Hogan, Scott Singer, Thane Peterson, Tom Payne, Doug Bader, and Mike Terwilliger. Standing, Nick Schousboe, John Dietz, Albert Ascoli, Kim Jones, Charles Brichford, Robbie Ore, and Kurt Dammers.
cheers!

The cheerleaders this year had some trouble getting off the ground, but regular practices under the supervision of Mrs. Blewett and a change in the squad helped the group to become one of the best in recent years at Uni High. The cheerleaders sponsored several after-game hops, pep rallies, and sold bus tickets to students for all the away games.

C'est Très bein—marveilleuse et wunderbar. Folies Bergere, this year's Fall Project, was truly great. MSC consisted of Mima Broadbent, Beth Goldhor, Claudia Gray and Becky Roth.
